## Westbank Tour via Chalmette Ferry

Saturday March 27 John Troendle, Paulo Casanova, his brother Roger, John Hummel, Mickey King, Gary Philips and friends, John Maiorana, Bill Pfaff, Carl Hunter, Geoff Goodbee and Harry Ricca gathered at McDonalds on Airline to begin a 42 mile circuit in their As, pictured below in front of the Ford assembly plant in Arabi. We took the ferry to cross the Mississippi, then a stop at the Ford plant and eating lunch at the River Shack in Gretna and finally heading along River Road to the Huey P. Long bridge and home. It was an interesting tour!

Cars: Hunter, Ricca, Casanova, Phillips (behind), Hummel, Casanova, Troendle .

## BBQ Anyone?

## **Cleaning Your Carburetor**

John Troendle made a new gadget, shown below. It screws into your carburetor and connects to a high pressure air hose which allows the air to clean out the multiple passageways in the carburetor body so you will have a smooth running and idling engine. John can show you how to use it. Give it a try!
