FUN WORKING ON YOUR CAR

On many Saturdays John Troendle opens his warehouse (Crescent Hardwood) and those of us with car problems show up with our car and everyone else present offers some advice and help and before longer problems are a thing of the past. Best of all, we all end up learning how to fix the problem and gain the confidence that we too can do it in the future. Some meet for breakfast and then head to the warehouse to work on the cars. By noon they head out in their Model As for a lunch break. Below a photo of some returning from lunch at Kim Ahn's.

Gary Phillips, Ray Fuenzalida, John Maiorana and Paulo Casanova, John Hummel, Danny Veade, Bill Pfaff, Carl Hunter, Mickey King, Bobby Burwell and John Troendle.

Tune up Saturday

Saturday 19 March was the chance to come to the warehouse and have your car timed to perfection by Phil Strevinsky. There was a great turnout of our club members as well as the Tin Lizzie members.

Tin Lizzies: Don Reach, Jimmy Spicer, Henry Purcell, and ?
NOLAs: Harry Ricca, Phil Strevinsky, John Troendle, Bob Sappington, Carl Hunter, John Hummel, Roger & Paulo Casanova, Bobby Burwell, Bill Pfaff, Ken Falanga, Geoff Goodbee, Danny Veade, Byran Veade, Mickey King and Ray Schaub. Probably some were missed!

Below are some of the interested present for the class on “how to tune up your car” given by Phil Strevinsky.

An early group photo the warehouse. Many of these were at breakfast at Chef Ron's Gumbo Shop to start the day. I know that all were impressed at how nice John Troendle has made this area of the warehouse for the club to work on their cars.
