Devine Mercy Custom Cruisers Car Show

The club had a great showing at the car show. Ray Fuenzalida and someone else in the club won awards. Ray, Toni & Caroline Schaub were there with the huckster, Ray Fuenzalida with his coupe, Paulo Casanova, with his special A, Bob Sappington and Bill Pfaff and?

Above are Paulo Casanova's car and Bill Pfaff's huckster. And quite visible is the new flag advertising the club. This can go with us to the car shows as well as our monthly outings. Thanks to Paulo for getting the club this flag. These flags were displayed at the crawfish party at the Hunters and several people stopped by to see the cars and talk with us.

Cars, Crawfish and Fun at the Hunters

On Saturday the club met at Dianne & Carl Hunter's home for a crawfish fest. Lots of members brought their Model As as you can see in the photo below. We had a record of 18 Model As. Our host was away but he & Dianne returned from the hospital in good health. A photo roster is in the works and should come to your inbox in a few months.

I will have more photos and will send some to you as a separate email.

Click on this photo and you can see all the cars in a short video.
