A new Model A recruit ready to drive!

VISIT TO SHANE'S CAR COLLECTION

Saturday July 16 we visited Shane's Car Collection in Metairie. We were all impressed at how many beautiful, perfectly restored and maintained cars he has. And we were all a bit sad that there were no Model As in the collection! It was fun and an amazing collection of cars, signs, games, old toys, wagons, etc. After about an hour plus we headed to Chef Ron's Gumbo Shop and had a nice lunch.

Danny Veade, John Maiorana & Paulo Casanova looking very relaxed & happy.

Members present: Bill Pfaff, Mickey King, John Troendle, Bobby & Linda Burwell, Paulo Casanova, Bob Sappington, John & Donna Hummel & grandchildren, John Maiorana, Carl Hunter, Danny Veade, Ray & Toni Schaub, Brad Persons, Phil Strevinsky, Steve Binns.

Transmission Overhaul

The trip to Middendorf's was postponed due to weather forecasts of bad weather but work at the warehouse continued. Below are Ray Fuenzalida and John Maiorana working to fix Bob Sappington's transmission.

FAREWELL MY FRIENDS

I hate to write this but our age and health problems have made it necessary for Nan and me to move from New Orleans to Dallas so that we can be close to family there. In early August we are moving to The Tradition, which is similar to Lambeth House or Poydras Home here in the city. So now you will need someone else to take over the A Frame.

John Troendle has done a great job with our website and has generously allowed members to work on their Model As in his warehouse. The Saturday meetings are fun and with several people helping the group finds it easy to remove and engine & transmission, fix the brakes, adjust lights, etc.
